PRE-SCREENING QUESTIONNAIRE OUTCOME LETTER

STU-EBE-2026-PSQ002649

2026/08/17

Dear Michael Lighton,

Your Ethics pre-screening questionnaire (PSQ) has been evaluated by your departmental ethics representative. Based on the information supplied in your PSQ, it has been determined that you do not need to make a full ethics application for the research project in question.

You may proceed with your research project titled:

Road to Repair – Automatic Pothole Detection, Classification and Sizing

Please note that should aspect(s) of your current project change, you should submit a new PSQ in order to determine whether the changed aspects increase the ethical risks of your project. It may be the case that project changes could require a full ethics application and review process.

Regards,

Faculty Research Ethics Committee
